Lizah wrote on Mon, 25 July 2016 07:43I haven't had a chance to go see this movie yet, but it looks really good. The last time I went to the cinema to watch a movie it was for The Conjuring 2. I try not to go to the theater often because it ends up costing a lot of money.

I heard someone mention Conjuring 2 as well. Is it based on a true story? I am not sure if it is still screening but it looks like a good movie.
