Subject: Re: Vinyl or CD, which is better? Posted by Wayne Parham on Thu, 04 Aug 2016 13:51:05 GMT View Forum Message <> Reply to Message

I agree with you Bruce, 100%. I have some excellent quality vinyl that sounds wonderful. Particularly the half-speed masters. But the BluRay audio I have definitely gives it competition. And since the BluRays are so consistent and durable, I like them better. Not to mention they include video content as well.
