You're right, I haven't posted it yet. Forrest, Rachelle, Chuck and Kenny came over and joined Michael, Alona and I. We had another little impromptu sound party using leftovers for a dinner. It started off that Forrest was coming to get a CD he forgot and Chuck was getting his electric knife and other brisket preparation stuff, but ended up with another listening session and food. So I haven't even started my writeup but I'll post it with photos pretty soon.
