Concorde wrote on Fri, 05 August 2016 09:03 Do it yourself books that are specific to certain trades are easier to find than general, all-around project books. I would go that route before I look for anything general.

I agree. I remember I once saw one that was specifically talking about carpentry. It is easier having many DIY books that are specific rather than one that is general. I will check out Amazon and eBay for leads.
