Subject: Re: How to ensure there's symmetry in speaker placement. Posted by moss24 on Wed, 21 Sep 2016 15:22:28 GMT View Forum Message <> Reply to Message

It actually shocks me that people don't give much thought to the sitting position when in fact, it matters in the same way the position of the speakers does.

Basically, the speakers should be laid out in such a way that they play along the length of the room.
