Subject: Re: Do you prefer CDs or vinyl? Posted by Odie on Thu, 06 Oct 2016 12:30:49 GMT View Forum Message <> Reply to Message

When I was a teenager (back in the dark ages), we had bass. We had plenty of bass. Sometimes the whole trunk was dedicated to the speaker system and WE HAD BASS!! I must admit though, that today CD's and digital are much more convenient.
