Hi Wayne,I am interested in going to the Great plains audio meeting. I am located close to Tulsa and I would be happy to drive my car. I have room for three people to ride with me from Tulsa, so anyone interested can contact me at nwwdlw@netzero.net to make arrangements.We will need to set up a central location to launch from, any ideas?I am looking forward to meeting all that will attend, this will be my first meeting.See you there!Norris Wilson
