Subject: Re: 4 Pi crossover Posted by Wayne Parham on Fri, 18 Nov 2016 22:48:17 GMT View Forum Message <> Reply to Message

Early Spice models and the ~1999 Speaker Crossover document show earlier versions of our crossovers, some using drivers that aren't used any longer in any models of our loudspeakers. They are useful as demonstrations, but current models may use different components. See "Crossover optimization for DI-matched two-way speakers" for more information on Spice models.
