Subject: Favourite Christmas tunes?

Assuming your attitude isn't "Bah, humbug" towards the entire season, you must have noticed the radios and stores, and elevators and everything else switching over to a certain genre of song. So do you hate them all, or is there a particular Christmas tune that spells out the season for you?

My choice is really generic: Fairy Tale of New York just because it isn't saccarine-sweet or bland. It gets me dancing.
