gofar99 wrote on Tue, 20 December 2016 20:38I would like a bigger house so I can set up a bigger listening room. The one now (12W X 17L X 10H) is just a bit small. Something like 25 or 30 W and L would be nice OK, I'll just wrap that and put the tree on top of it

Last time I bought a signed limited edition, he already had it. Short of breaking into his house and riffling through his collection, buying music is a bit of a lottery. I might go with the gramophone and see how he takes it.
