Leon wrote on Tue, 30 August 2016 01:58 This is interesting. What better than a DIY book to keep someone like me busy in a productive way? If you have found any good leads, Drake, please do keep us posted. Thank you.

I haven't had any luck so far but it could also be that I haven't been very keen on checking every now and then. I will revert in case I stumble upon something resourceful.
