Subject: Re: Remastering songs Posted by PianoGrrl on Mon, 06 Feb 2017 10:04:49 GMT View Forum Message <> Reply to Message

I treat them like cover versions. If they've changed it completely like adding drums and a techno beat or instruments that didn't exist when the original was made, I don't care, but I still want to be able to get the original so I can hear what made the song a big deal when it came out.
