Subject: I hardly know any lyrics to a song Posted by bcharlton on Fri, 10 Feb 2017 16:46:38 GMT View Forum Message <> Reply to Message

You'd think that I am not a music fan but it just hit me that I don't know the complete lyrics to most songs that I love. I will just be humming along then joining when the chorus comes around. This is unlike my younger brother who can sing hundreds of song from beginning to the end.
