Subject: Re: Power cuts affecting my stuff Posted by johnnycamp5 on Fri, 17 Feb 2017 20:50:55 GMT View Forum Message <> Reply to Message

Ive got a foolish question, perhaps someone can help me understand.

All of my components are equipped with power (on/off) switches. Can a power cut ruin electronics which are plugged in, but not powered on?

Or are we all assuming power cuts during use?
