I can't log in as me and haven't been around much 'cause I've just been listening to Ella. I recently added Auricaps, a TKD volume pot, Schottky diodes and a signal red paint job. 40 watts in ultralinear, 15 in triode. 6N1P drivers. 6CA7 EH Outputs. 90% of the SET hear-into-the-venue sound and the push-pull dynamics and balanced, not rolled off, tone.Bill
