Red2017 wrote on Sat, 15 July 2017 12:58I am a country western fan. But, most of that music is about being hurt, cheated on, or just drunk. There are a few songs that are upbeat and I like Alan Jackson most I guess.

Country music is great. Sure it's usually about the sad stuff that you listed, but it tells a great story. I also agree that Alan Jackson is pretty awesome.
