Subject: Re: Headphone Amplifier Posted by dreamer13 on Tue, 01 Aug 2017 12:53:48 GMT View Forum Message <> Reply to Message

Thank you for sharing, Bruce! To my understanding, the mobile phones or iPods nowadays are already equipped with an amplifier for the earphones. I am thinking of getting a better headphone in near future for my music needs, so I wonder if I also should get amplifier like this to boost the experience.
