Kirkman wrote on Fri, 01 September 2017 07:11 Also, the ones that play music seem to stick to the same 20 songs or so. It's part of why I don't listen to the radio much.

I agree with you completely. I feel like there is only the same 'hits' played over and over again, and actually good songs don't get played. I've liked a song and then began to dislike it due to the amount of times I've heard it. It drives me insane, so I usually stick to streaming music.
