Kitt wrote on Wed, 13 December 2017 17:34 How on earth did you come across this? I'm off to check it out immediately. Thank you so much for sharing this. I'm so excited, I'm sure I'm not going to get any sleep tonight.

It showed up in my Twitter newsfeed. I can't remember who posted it but bless that person. @Lost the Remote, I guess I should have fact-checked them before posting here. I thought it was going to be all his albums but whatever, ten albums is plenty enough!
