Ah man, that is exactly what I needed. Thank you so much for sharing! I wish I lived in one of the places that has this station on the local radio. But this is easily the next best thing.

No problem! I'm glad you liked it. I actually started enjoying this music because I used to live in Virginia Beach (one of the places with this station) and fell in love with it. So hopefully you'll be able to get your fix and more here! Let me know if you find any favorites.
