Subject: Re: I have an idea... Posted by Manualblock on Sat, 22 Jan 2005 02:09:00 GMT View Forum Message <> Reply to Message

I think success will bring more to the dance. I have faith now in the ultimate sound and am very confident. Maybe gathering all the pertinate posts and arranging according to subject? Try to spread the word as much as possible. BTW what is the PP design you have percolating for this effort? If I may ask. See; if pre-amps are so easy according to anecdotal myth; why are there so few good ones?
