Kingfish wrote on Fri, 23 February 2018 08:07Picture an old timer. Now picture him or her saying things that this generation would deem racist, yet he or she see's as just being what it is. An old timer who is naive to what we see as racism.....it's rather charming, don't you think?

I've never heard this term before. I have no idea what it actually means, but this sounds like a good guess, even though I wouldn't call that charming. But really, what kind of racism would qualify as "charming" anyway? Is this a phrase people actually use?
