You know I thought the same thing originally, but then I remembered that Chester Bennington happily flopped...danced... uh, did something active on stage and still managed to sing live.

https://www.youtube.com/watch?v=rkkAiL4PzoY

I just fell down the rabbit hole of watching old Linkin Park concerts with his uh, dance moves.

Madonna danced while singing live too. Did Paula Abdul, Michael Jackson, Mariah Carey, and Janet Jackson? I always thought they did, but I could be wrong.
