Subject: Re: Teachers and guns Posted by johnnycamp5 on Sun, 18 Mar 2018 16:59:04 GMT View Forum Message <> Reply to Message

I wonder if the only way a law like that could work, would be to let the teachers whom already own handguns, choose if they feel comfortable wearing a concealed (or exsposed) weapon during school hours.

There are millions of gun owners in the US. Many of them also have a license to carry (both concealed and not).

It stands to reason that some of them are teachers.
