Subject: Re: What's your first move? Posted by EParkes on Thu, 22 Mar 2018 22:12:45 GMT View Forum Message <> Reply to Message

No WAF to worry about here. (Full disclosure: I had to look up what WAF meant.) My ceilings are eight feet high. Out of curiosity though, why wouldn't you do it for those below 7.5ft? Is it just unnecessary or does it have negative effects?
