Subject: Re: Does best picture = bigger projector? Posted by Elerie90 on Fri, 13 Apr 2018 22:35:08 GMT View Forum Message <> Reply to Message

You'll have to let us know if that ends up working out for you! I would love to get a projector and the minis would definitely be the most convenient so long as you don't have to sacrifice too much when it comes to the image quality.
