Subject: Re: How to keep the neighbors' noise out Posted by Lost the Remote on Fri, 18 May 2018 00:56:08 GMT View Forum Message <> Reply to Message

Luckily, my neighbors and I have all become friends over the years. I've spent holidays with them when my flight was snowed out and I couldn't go to my sisters. They haven't complained about my early mornings and heels clicking on the floor and I would never complain to them or the HOA either.

Thanks for sharing the link. I'm going to try johnnycamp5's advice since I'll be here for a few years.
