Josh and Wayne,

Thanks for the input, Looks like two votes for the JBL 2226. Just needed a little push.

As the saying goes, a few more greenbacks now will lead to happy ears for many years.

Now I am going to have to figure out what to say to Better Half when the Pi's suddenly take the place of small bookshelf speakers in the living room. Perhaps I can explain that the old speakers just hit puberty and had a huge growth spurt.

Thanks
Paul
