Subject: Re: Wood or Carpet Flooring Posted by Malfoy on Sat, 23 Jun 2018 16:20:30 GMT View Forum Message <> Reply to Message

Thanks for that advice. I'm aiming for capturing a good quality of the instruments. My floor is made of concrete and that can create sound quality is good already. I'm only wondering if placing a carpet or wood will enhance the recording. I agree with the softer tone on carpet and a crisper sound with wood, but I cannot make up my mind on this.
