Subject: Re: Underneath Speakers Posted by Musique on Sat, 30 Jun 2018 13:03:24 GMT View Forum Message <> Reply to Message

I had not put anything beneath my speakers ever since I owned one. (I put mine on a shelf for all my audio-related tools made of wood.) I don't think I've ever used them with any form of cushion. Is the sound different? What did your friend tell you?
