The blinders got me again. I have one of them too. And it is printed in fairly new ink and on good paper too. Can't be all that far off. Further thought yeilds the additional conclusion: I am not going to run them hard in the first app I put them to, so I'll probably be able to put the old ME Materials book to good use.thanks! good thing I was not looking for poisonous snakes....I'd have been bitten.regards,Douglas
