Subject: Re: The best apps to measure noise levels Posted by Yurimi on Mon, 02 Jul 2018 13:39:49 GMT View Forum Message <> Reply to Message

We can usually tell by instinct if a place is too noisy when our ears hurt. Earphones and headphones may pose more danger as sometimes we set the volume so high in purpose. If we can have an app to alert us of the high noise, I think that's better.
