I'm in the UK, and I've been to the Leeds Festival, where I saw Blur and Catatonia - it was really good.

I also saw the Rolling Stones in Hyde Park - I think that was in 2015. It was an excellent gig, and a wonderful atmosphere. I think the only problem was it was a bit too crowded, and we were miles from the stage.

I wouldn't mind going to Glastonbury some time, but the tickets are really expensive and it looks pretty crowded.

I must admit, I think I prefer music at smaller venues rather than the monster festivals.
