Subject: Re: Listening To Classical Music Posted by Jazzy on Tue, 24 Jul 2018 16:41:29 GMT View Forum Message <> Reply to Message

I also like Mozart, but I prefer Bach.

I admit that I'm not updated with new classical composers. I listen to the great composers of old as their music is soothing to my ears.

It is sad that orchestra musicians are receiving less compensation these days compared to their work.
