Subject: Re: News or Music Posted by Rusty on Fri, 10 Aug 2018 15:19:59 GMT View Forum Message <> Reply to Message

I listen to radio mainly in the car. Both music and news. NPR for news and flipping around for any decent music from commercial radio. Which, when I get tired of flipping around for some half arsed decent song I go to NPR. Then I'll retreat to a classical music station when the news and commercial music gets too absurd.
