Subject: What is More Important in a Song: Meaning or Sound? Posted by Duks on Fri, 02 Nov 2018 12:26:16 GMT View Forum Message <> Reply to Message

When it comes to the enjoyment of a song, I tend not to put too much emphasis on the meaning or message of the song, in comparison to how it sounds. I can enjoy a song with a very shallow meaning, but sounds good. The beats, rhythm, and general sound are more important factors if you ask me.
