Subject: Re: Audio Measurement Mic Posted by gofar99 on Mon, 07 Jan 2019 20:30:08 GMT View Forum Message <> Reply to Message

Hi I use the UMM6 with both a PC and with a Behringer DEQ2496 (it actually is given in some of their literature as suitable). The issue is more complex than just what mic to use. Placement, loudness, room reflections and nodes have a great effect on the accuracy of your measurements.
