TheWanderer wrote on Thu, 17 January 2019 11:33Am I reading this correctly? 1.2 MILLION dollars on speakers? Even if you could purchase them, why would you? I have to wonder - how much do million dollar speakers cost to produce?

They may not cost as much to manufacture but at the end of the day, the laws of market supply and demand, carry the day. There is no way in the world I would go for such speakers, if I can't afford them.
