TheWanderer wrote on Mon, 21 January 2019 19:26 I like seeing the face behind the voice. I always wondered what they looked like (somehow, they all ended up looking nearly identical in my head. I guess you could say I'm not very imaginative.) :lol:
Maybe you imagine them all looking the same because they all sound the same! Every radio announcer sounds identical to me. There's the male radio voice and the female radio voice. Maybe I'm just deaf and can't hear the subtle differences. :lol:
