Thank you all for sharing these sites!  I'm passing the information on.

Junior wrote on Mon, 04 February 2019 04:42Google is our friend when it comes to this.
I used Google before asking.  I always use Google first.  The problem is that it's difficult to tell which sites are offering music that is actually legal and which are not.  My searches kept telling me how to download from YouTube which wasn't useful.
