Subject: Re: Ad blocker for smart T.V.? Posted by mamoss on Sat, 13 Apr 2019 06:57:41 GMT View Forum Message <> Reply to Message

I am yet to get a Smart TV but now I don't think I am eager to get one since I really detest those ads. Deregulation has made it so easy for companies to collect data and use this in any way they deem fit. I don't think there is anything left for the consumer to cling onto.
