You have every right to be mad as hell. I'm sorry you have to be the patsy for us to learn not to buy one of these sets. Unknowing what lurked within despite the glorious promise of enhanced viewing pleasure. This is a sobering example of where our brave new world is heading. All the various types of techno crap that is hooked into the web is a potential for hijacking. I think my pappy was ahead of his time. A cave in Arkansas sounds refreshing.
