We'll post the exhibitor list on Friday, along with each exhibitors' room numbers, right here in this thread.

For many years, we didn't know what rooms we'd all be in until the first day of the show. They put us in rooms as we checked in. In the past couple years, they've started pre-assigning rooms a little ahead of the show, but even that is in flux and there is some shifting on the first day.

But we'll definitely post a room list here and update it as things get settled.
