Subject: Re: No iTunes, where to buy \$1 digital music? Posted by johnnycamp5 on Tue, 18 Jun 2019 19:13:12 GMT View Forum Message <> Reply to Message

I'm not sure.

I am the opposite, where I enjoy buying, and listening to a whole album.

I like the ride through, and enjoy knowing/expecting the next (sometimes known) song on the album.

I do this through both CD or download.

I suppose I'm dating myself here lol
