Subject: Re: Your most disappointing buy? Posted by Leot55 on Tue, 25 Jun 2019 19:23:43 GMT View Forum Message <> Reply to Message

The first GoPro I bought was a downer. I actually bought it for my kids and the short battery life meant they grew tired of it in no time. The latest GoPro Hero is much, much better. The video is more stable and the battery lasts much longer.
