Subject: Re: 4PI Plans Request Posted by malyh on Thu, 26 Sep 2019 07:30:14 GMT View Forum Message <> Reply to Message

Dear Wayne,

thank you for plans! I've just realized that my 2226 are 16 Ohm version (no H ones) Could the Pi 4 be done with them? Do you have by any chance a crossover for this "J" version of 2226?

Thank you, mh
