Yeah. I'm glad for them. I hardly watch any professional sports anymore. Just don't give a damn. So much money, so much hype. But it's so prevalent in our world that you can't ignore it. So, spreading the glory around to some of those underdog teams is I think, good for the various sports. It's like the Wally Cox's of the world getting the girl from the cool guys.

Wally Maynard Cox & Marilyn
