Subject: Re: Super simple linestage. Posted by colinhester on Mon, 01 Aug 2005 02:27:08 GMT View Forum Message <> Reply to Message

Please O' Great One, tell us more. I should be finishing my current project in a month or so and would like to have something else lined up. Wayne suggested doing an amp based on 12V space-charge tubes (any thoughts), but if there is interest in a linestage, I'm in....Colin http://audioroundtable.com/Radio/messages/243.html
