Subject: Re: Apps vs Radio Posted by Joyce on Thu, 30 Jan 2020 04:13:25 GMT View Forum Message <> Reply to Message

Even when I get into the car, my daughter starts connecting her Spotify right away and uses her playlist. I know those apps have podcasts, so maybe we can go for those when we are feeling nostalgic. Otherwise, it's just easier to use those apps and listen to music without any interruption.
