I am sure you know about the Garrott Brothers. If you live in the United States because of the exchange rate you can get a good price on cartridge. The rate changes every day. Today the rate is .59 That means you can buy Optim FGS Ruby \$1725 AUD for less than \$1018 US dollars. You do not pay GST tax of 10%. Prices shown on website are Australian Dollars. In Australia there are 7 places you can buy the cartridges from. Make sure you pick the right one. Ask for some help on stereo net au
